BATH TUB WASTES & OVERFLOWS

BATH TUBS

LINEAR OVERFLOW BATH WASTE

22" LINEAR OVERFLOW BATH WASTE

7931817LD

This exquisite brass drain features a linear overflow shape, allowing the tub to maintain that modern elegance reflected by true lines and curves. The tub drain uses a European tip-toe drain for a stylish, modern, and classic overflowing appearance

Press drain to close, press again to open. 17 gauge brass tubes making this ideal for extra deep or very long tub runs. Finished trim - unfinished rough-in.

- 1-1/2" unfinished brass tubular bath waste assembly
- 22" maximum make-up with 17 gauge brass tubes
- European tip-toe push drain for tub closure
- Low profile for narrow tub rims
- Fits a standard bath drain with a linear overflow
- Finished trim - unfinished rough-in
- Includes 3" tailpiece, cast brass tee and elbows
- ADA approved drain closure

22" FULLY FINISHED LINEAR BALL JOINT TIP-TOE BATH WASTE & OVERFLOW

D3261BJLD

The Linear bath waste overflow by Westbrass features a sleek, linear overflow cover which beautifully finishes the inside of the tub rim. The ADA approved toe tap drain is easy to operate; press once to close, and again to open the drain. This drain type is the easiest to use for all bathers.

Fully finished on its exterior, this drain is designed to stand out and accent the bathing well for all exposed installations. The finished ball joint allows the overflow elbow to neatly meet the exterior of the tub, and the hidden screws make the exterior look truly elegant.

- Fully exposed bath waste ball joint elbow
- Concealed silicone gasket familiar to plumbers
- Low profile for narrow tub rims
- Overflow plate seals to bathtub using concealed screws for polished appearance
- Ball joint flexes to a wide variety of angles for perfect installations
- ADA approved oversized tip-toe drain stopper for easy use
- 6" finished tailpiece trims to floor using a hi-box flange for easier installation

DEEP SOAK DRAINS

PATENTED DEEP SOAK-CLOSING OVERFLOW

D493244CHM

This exquisite PVC drain features a closing overflow, allowing the tub to be, "over-filled" for that extra deep soak; required to ease both mind and body.

The drain can be used in 3 ways. Fill your tub and use as normal overflow (Fig. 1). Rotate the overflow once and your tub can fill higher (Fig. 2). Rotate again, and the water can completely cover the overflow for the ultimate in luxurious bathing (Fig. 3). The tub drain uses a European tip-toe drain. Easy to use: press once to close and again to open. Sch. 40 PVC non-corroding fittings and pipes glue together for complete adjustability, making this ideal for extra deep or very long runs.

Figure 1

Figure 2

Figure 3

- 1-1/2" Sch. 40 PVC pipes and fittings
- European tip-toe push drain for tub closure
- Fits standard tub openings
- Glue in pipe with finished trim

ALL BRASS BALL JOINT TIP-TOE WITH PATENTED DEEP SOAK-CLOSING OVERFLOW

7931817BJCHM

This ball joint bath waste overflow by Westbrass features our unique patented no-hole closing overflow (D493244CHM), which beautifully finishes the inside of the tub rim and allows the tub to be "over-filled", for that extra deep soak. The drain can be used as a normal overflow, or can be rotated once to fill your tub higher, and rotated again to allow water to completely cover the overflow, for the ultimate in luxurious bathing.

TERMS & CONDITIONS

PRICING

Prices indicated are Manufacturer Suggested Retail Prices.

Due to increasing costs of brass, raw and finishing materials, prices and specifications are subject to change without notice. Westbrass notifies all customers of pricing errors upon purchase order entry. Any pricing disputes must be settled before the product has shipped. All prices are indicated in United States currency and will be invoiced at prices prevailing at the time of order. Price Lists are available by contacting Westbrass.

TERMS

Net 30 days. A service charge of 1.5% per month (18% APR) will be charged on all invoices outstanding over 30 days.

FREIGHT

All orders will be shipped prepaid and billed except for COD customers; unless the customer wishes to use third party billing. Shipments are F.O.B. Los Angeles, CA. Full freight is allowed on shipments of \$1200.00 net invoice value, within the continental USA. Full freight is allowed on shipments of \$1,500.000 net invoice value to Hawaii and Alaska. Freight is not allowed on shipments of displays. Shipper reserves the right to ship by method of our choosing.

MINIMUM ORDER

Our minimum order is \$50.00 net per order. Charges will be added to orders of less than \$50.00 to bring the order to the minimum billing of not more than \$10.

LIABILITY

Our liability on any claim, including claims of defective design, workmanship or materials is limited to replacement by shipment of items from our plant, refund or a combination thereof as we determine. Buyer agrees irrevocably to the jurisdiction of the California Courts over its person in the event of litigation. Service of process may be made as provided by California Law or shall be considered effective if sent by certified or registered mail, return receipt requested, postage prepaid.

CLAIMS

Please check your order immediately upon receipt. All claims for shortages, overages, incorrect product, billing errors, etc., must be made within 5 business days of receipt of goods.

RETURNS

Goods cannot be returned without prior authorization and must have a Returned Materials Authorization Number (RMA #) attached with the product. Items sent back to Westbrass without prior authorization will be rejected and returned at the customer's cost. Returns for non-defective merchandise are subject to a minimum 25% restocking fee. Returns Materials Authorization (RMA) must be requested in writing by fax, email or mail within 30 days of delivery. All refunds are subject to inspection of the returned merchandise. Credit will not be issued, under any circumstances, until after the item has been received and inspected. Non-defective returns must be received in saleable condition. No returns on special or custom orders. All returns must be made freight prepaid by sender and the sender must assume all responsibility for shipping. Westbrass reserves the right to limit and/or refuse any returns at their discretion.

DAMAGED OR LOST SHIPMENTS

Items damaged in transit must be rejected upon delivery and immediately returned to Westbrass in its original box. Westbrass will be responsible for filing claims with the carrier. Damaged or lost shipments must be reported within 72 hours of receipt to the shipper of the product in question.

CARE & MAINTENANCE

With the exception of living finishes, all Westbrass decorative finishes are protected by the strongest finish treatments available while maintaining their luxurious appearance. While some finishes are more durable than others, no finish is indestructible. Polished Chrome, Satin Nickel and PVD Polished Brass finishes are the most durable. All other finishes are electroplated; some are then coated to enhance the gloss and durability. "Living" finishes are uncoated, designed to be exposed to the air and other elements, with the intention to age and change in their natural beauty. All of our finishes, plated and living, require some care in use.

TO CLEAN

Do not allow your product to come into contact with any cleansers fortified with ammonia, bleach, grease - cutters or other surfactant chemicals. Soft Scrub®, Dawn Liquid Soap®, Palmolive® or any other combined cleaners contain certain chemical components that will dissolve and remove the finish's protective coating, and eventually the finish itself. Use only plain warm water and mild soap on a soft cloth or sponge. Avoid using any sponge with a scouring pad to clean your product. It is not necessary to rub hard to remove spots.

TO PROTECT

An occasional application of Carnauba wax (without cleaners), like that found in Flitz Faucet Wax®, Turtle Wax for Clear Coat Car Finishes® or McGuire's Premium Wax®, will enhance the finish lustre, reduce hard water spots and add an extra layer of protection to your finish.

WARRANTY

DRAIN & STRAINER FINISHES

All sink and tub/shower drains, strainers and other trims have a **5 year warranty**:

(01) PVD Polished Brass	(07) Satin Nickel	(26) Polished Chrome
(03) Polished Brass	(12) Oil Rubbed Bronze	(50) Powder Coat White
(05) Polished Nickel	(20) Stainless Steel	(62) Matte Black
(11) Antique Copper		

FUNCTIONAL WARRANTY

The functionality of all products is warranted for a period of **five year**. All warranties are guaranteed to the original purchaser only. Product problems attributable to abuse, misuse, improper installation, hard water, neglected maintenance or accidental damage are not covered by this warranty. Modifying the product in any way voids the warranty. The use of plumber's putty on our products also voids the warranty. Silicone sealing compounds should be used instead. No repairs or replacements will be made under such circumstances except at customer's expense. Liability under warranties expressed or implied is limited to repair or replacement of defective goods only. In no event will Westbrass be liable for incidental or consequential damages (such as labor charges). **This warranty does not cover labor charges, whether based on breach of express or implied warranty, breach of contract, negligence or any other legal theory.**
