Faucets

Elegant, Classical Shapes for Bath and Powder Rooms

Amber Collection

Lavatory Faucets

2900XA Widespread
Lavatory Faucet

◆ Winsome and elegant six ways, the hex shaped Amber Collection delivers a balance between masculine boldness and feminine grace.

◆ The finest machined brass parts, combine with the durable ceramics and top quality finishing to create Amber.....from Westbrass.

◆ Make that frustrating soaking tub a warm place to relax and unwind. Boldly sized, the 3/4" Amber Roman Tub Spout, fed by twin 3/4" high flow deck valves and connected by huge 3/4" stainless steel flex lines, powers through the task of filling today's high volume soaking tubs with little waiting.

◆ Adding Amber's solid brass deck mounted hand shower and diverter helps keep the mood by making cleanup a snap.

Pressure Balancing Shower Systems

◆ Featuring Tempress II pressure balancing rough-ins for safety and reliability.

◆ Variable Control Diverter (VCD) ideal for reliable tub/shower performance, remains behind the plate, unused in shower only applications.

◆ Male IP x CC sweat connectors for easy installations.

◆ Integrated Service Stops simplify cleaning and repairs.

◆ Pressure balancing trim available separately - preventing job site damage or accidents.
